

DCGIA Annual Auction/Party

December 5, 2004
At Clyde's

Once again the DCGIA chapter held its annual Auction/Party/Fundraiser at Clyde's in Tyson's Corner. This gala event is not only the most anticipated chapter function of the year but is also the most important source of income that we use for more than a dozen monthly educational programs. The money we raise through the auction allows us to bring in outstanding speakers throughout the year. Once again our auction/dinner was a huge success and the income from the auction will allow us to continue our unique schedule of 12 meetings a year, 10 with speakers, one a Tucson Panel, and our Auction/Party.

Bobby Mann continues his outstanding work in organizing the event and relishing his role as auctioneer. Once again this year our fabulous singer/raconteer/and auctioneer, Carolyn Chappell, kept the afternoon flowing with good cheer, stories, and serious bidding. Thanks to Michele, Ira, Davia, Bill, Toby, and all who helped.

Thanks also to Michele, Davia, and Bobby for providing the photographs for this Web archive, for GIA, and for our own Chapter album.

It takes a number of people to make this event the success it has become. Please help at our future auctions by both donating items to sell and bidding. Thanks to all who attended. You help make the chapter a success.

See you next year!
