

Loftmar Stables

2011 Christmas Camp

Loftmar is again pleased to offer full day camp. If needed, we also offer early drop-off and late pick-up. No planned activities will be done during before and after care. Riders at all levels and ages will be able to participate in this camp so we will have several different riding sessions as participation requires. All riders should arrive dressed to ride in pants & boots with small heels and wear layers of clothes. Riders should also bring: bag lunch (except on Wed.-McDonald's day bring \$5 for Happy Meals), water bottle/drinks (soda machine \$.75). Orientation will be held Monday morning. During this time PARENT/GUARDIAN MUST SIGN RELEASE FORMS. Camp will be taught by a certified instructor and adult assistant and possible teenage junior counselors depending on enrollment so all enjoy a well-supervised, safe experience. For safety purposes, non-experienced/beginner lessons will be shortened to one-on-one format. With this reduced riding time, they can also participate in fun ride 2:30-3:00. This allows each student to progress at their own pace. Send non-refundable \$175 deposit for camp with remainder due morning of camp. If camp is paid in full at time application is sent in \$5 discount will be given. You will receive a verbal call to confirm we have received your child's application.
