Official Permission Slip

Junior High Youth Retreat - March 30, 2002

I, the undersigned True Christian do hereby grant my saved child, _____, permission to join the Landover Baptist Junior High Youth Group on it's day-long retreat to visit secular high schools in Des Moines, Iowa (hereinafter "Targets"). I understand that there will be over 3,000 Landover Youth attending the event and that Deacons, Pastors, and teachers from the Landover Baptist True Christian® Academy for the Saved will be granted parental rights over my child for 24-hours, including, but not limited to, righteous punishment as abetted by the Lord that may or may not result in sundry bruising and/or a discontinuation of pulmonary functions.

I also understand that the sole purpose of this retreat is to introduce wicked, unsaved children in Targets to the Lord Jesus Christ, by any and all means necessary. I am fully aware that my child will be equipped with a semi-automatic handgun and will be involved in constructing, carrying and/or lighting homemade pipe bombs in a godly effort to provide persuasion for unsaved children at Targets to run into the loving, waiting arms of the Lord. I also understand that it is quite possible that my child may be called upon by the Lord Jesus to abridge the lives of a few and/or many Jewish teachers and their unsaved students at the Targets and I agree to indemnify (including attorneys' fees) and hold harmless Landover Baptist Church and all its many subsidiaries for any causes of action resulting directly or indirectly from any death, injury or property damage at Targets or rest stops along the way.

I have enclosed \$350 in cash or ready funds to cover the costs of ammo, U-Haul rental, fertilizer and remittance to Lisa Beamer for every time someone hollers, "Let's Roll."
